Short Description

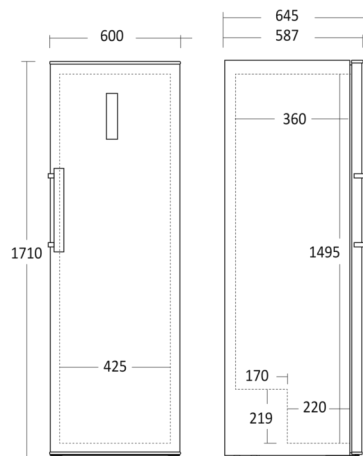

Large freezer with 242 liters capacity and static freezer. The freestanding freezer with reversible door contains one freezer shelf and six freezer drawers with transparent fronts, including a maxi box that can hold the largest items. The freezer is electronically controlled and has an internal display that shows the current temperature. An acoustic signal is activated if the temperature gets too high.

SFS242WE has a Super Freeze function and a freezing capacity of 11 kg/24h. With a technical feature that ensures that the oil does not solidify or clump at cold temperatures, the cabinet can be left in a dry environment at room temperature down to -15°C.

Key features

- Can be placed in a dry environment at temperatures down to -15°C
- Reversible door with robust steel handle
- Transparent drawers
- Digital operation and display inside
- 7 drawers of which 1 is a bigbox
