Superior drying while saving time and energy

The 900 PerfectCare Dryer does it all. With DelicateCare and 3DSense Technology, sensors detect humidity in garments, ensuring precise and complete drying. And SmartSave allows you to save up to 50 minutes or 20% or energy with each load.* Choose one of the functions according to your needs and experience perfect drying results

*Based on internal testing comparing Electrolux heat pump tumble dryers Energy Class A, Time Save mode and Energy Save mode, respectively vs. Electrolux heat pump tumble dryers Energy Class B, 8kg 179 minutes on MixCare cycle.

Product Benefits & Features

SmartSave - Dry faster saving up to 50 min. Or save up to 20% energy with each load.*

SmartSave is the ultimate drying innovation. Choose Time or Energy Save when drying and save up to 50 min or up to 20% of energy.* Fast and effective, activate one before running a load and experience cutting-edge technology designed for efficiency.

*Based on internal testing comparing Electrolux heat pump tumble dryers Energy Class A, Time Save mode and Energy Save mode, respectively vs. Electrolux heat pump tumble dryers Energy Class B, 8kg 179 minutes on MixCare cycle.

3DSense Technology – down jackets and duvets kept like new, warmth and fluffiness 100%

3DSense Technology, our unique technology, scans the humidity in garments for precise and complete drying. Even the thickest of the garments such as duvets and down jackets are evenly dried and protected remaining fluffy and keeping the warmth.

*Based on external test of thermal resistance for items dried with 3DSense Technology, performed according to ISO 11092.

AAA-rated for high energy efficiency, low noise and low humidity

Triple A-rated: A-class for energy rating, A-class for noise level, and A-class for condensation efficiency. Enjoy energy savings, more peace and quiet, and less humidity in the laundry room when drying your laundry.

Remotely control your laundry appliances with Connected

Link your appliance to the Electrolux app to enjoy the ease of remote control. Get real-time status updates, resource-saving advice and garment care tips with Connected.

No sorting needed. Mixed loads each time evenly dried with MixCare

MixCare provides powerful yet gentle drying for mixed loads of cottons and synthetics, ensuring clothes are evenly dried with no sorting needed.

• Heat pump technology achieves unprecedented energy efficiency
• Internal light for optimal visibility in the tumble dryer
• Inverter motor technology
• Delay start option
• Program card languages: Danish, Finnish, Norwegian, Swedish
• Optional accessories: Direct drain hose, Stacking kit
• Accessories included: Condenser Slots Brush
