

Tailored drying for the most delicate items

The 700 DelicateCare Heat Pump Dryer adjusts the temperature and motion of the drum to specific fabrics, ensuring tailored care. Silks retain their shape, woollens get safely dried with no shrinkage and water repellency of outdoor garments is restored. Woolmark certified.

Product Benefits & Features

DelicateCare - dries wool with no shrinkage guaranteed*

DelicateCare uses heat pump technology to dry delicate garments with tailored drum temperatures and movements, helping clothes last longer. Even fabrics such as silk and wool are dried with superior Care. Woolmark certified.

No sorting needed. Mixed loads each time evenly dried with MixCare

MixCare provides powerful yet gentle drying for mixed loads of cottons and synthetics, ensuring clothes are evenly dried with no sorting needed.

*Comparable with flat drying.

Removes more than 99.9% of bacteria and viruses* while drying

The Swissatest-certified Hygiene+ cycle runs above 60°C, drying while sanitizing items, removing 99.9% of bacteria and viruses.*

SensiCare – optimal drying to preserve your clothes

SensiCare measures the temperature and humidity of each load, adjusting the time and energy consumption accordingly, so garments are protected from overheating and overdrying. Clothes look and feel new for longer without wasting energy.

*Tested for Candida albicans, MS2 Bacteriophage and Escherichia coli in external test performed by Swissatest Testmaterialien AG in 2021 (Test Report No. 20212038).

EasyClean Filter – for an energy-efficient machine

The EasyClean Filter is easy to clean and keeps your machine running at its best, helping to keep energy efficiency.

- Heat pump technology achieves unprecedented energy efficiency
- DelicateCare
- Internal light for optimal visibility in the tumble dryer
- Inverter motor technology
- Delay start option
- Sensor dryer: the dryer senses when the clothes are dried to the level specified
- Additional time controlled drying programs
- Program card languages: Danish, Finnish, Norwegian, Swedish
- Optional accessories: Stacking kit
- Accessories included: Condenser Slots Brush
