

**Spacious storage solutions**

The 500 OptiSpace Refrigerator offers a spacious interior for groceries. Storage options make finding a spot for larger items simple. And if you need even more room, the drawers can be easily removed.

---

**Product Benefits & Features****OptiSpace has a roomy interior for groceries**

Our Refrigerator with OptiSpace offers plenty of storage options both on top and in between shelves. And if you need even more room, the drawers can be easily removed to suit your specific needs.

**Premium LED fridge lighting**

Enjoy excellent visibility with our fridge's integrated LED lighting. The discreet, energy-efficient bulbs shine a bright light across the whole space. Consuming ten times less energy than standard lighting.

**Reliable shelves with safety glass**

Strong shelves inside the fridge is made of safety glass, renowned for its durability. And if there are any accidental spillages, it can easily be cleaned up with a damp cloth.

- 
- Mechanical temperature control
  - Automatic defrosting of the cooling compartment
  - Refrigerator lighting: Internal. LED;Side
